[redacted] Met with Mrs. Barbara Rathe, Executive Secretary to Representative Hale Boggs (D., La.), as a follow-up to my meeting of last week with Mr. Boggs concerning "constituent" correspondence relating to the Garrison allegations of lack of cooperation by Federal agencies. After checking the floor Mrs. Rathe advised that Mr. Boggs would be involved in a series of meetings right up to the time that he would be departing from the Hill this evening. Even though he has a tight schedule tomorrow, she is sure that he would like to see me but that it is not possible to schedule a time at the moment. She will call me at such time as Mr. Boggs is available.

[redacted] Met with Mrs. Diana Abbazia, Office Manager for Representative Theodore Kupferman (R., N.Y.). Mrs. Abbazia advised that the Representative is in New York, but will be returning around noon tomorrow. Since she was familiar with his letter to the Director, she advised that she was sure that he would like to see me as soon as possible and scheduled me for 2:00 p.m., 6 June 1967.

[redacted] Met with Mr. Stephen Godard, Assistant to Representative Sam Gibbons (D., Fla.), as a follow-up to his call of Friday and provided a copy of the unclassified pamphlet on the Central Intelligence Agency and discussed with him in some detail the Agency's no comment policy on newspaper and other speculations relating to Agency activities. Mr. Godard appears to be a rather competent individual with some newspaper background. He is new on Mr. Gibbons staff. No further action is indicated on the constituent correspondence involved.
